Thank you very much for the personal interest you have taken in my case and your sympathetic understanding of my problem. I assure you that I shall do my best to justify your confidence.

Although the Agency will suffer a great loss at your departure it is most fortunate that the General persuaded you to continue as consultant and trouble-shooter. It is also fortunate (and a compliment to you) that a team such as Messrs. Dulles and Wisner had been developed to carry on the work that you have so well started.

Thanks again for everything that you have done in my behalf. If an occasion should ever arise in which I could perform a service or favor in your behalf I would deem it a privilege to have the opportunity.

Respectfully,
